

COVENANT

PRESBYTERIAN CHURCH PCA

Greetings,

On behalf of the congregation of Covenant Presbyterian Church, we are thankful for your interest in our Senior Pastor position. We have provided a short introduction to our church and our community in these pages, and you will find more information about our approach to ministry in the attached church profile.

Our ministry at Covenant Presbyterian is two-fold: discipling God's people and reaching out to our neighbors. We seek to disciple God's people through liturgical, corporate worship with weekly communion, expositional preaching of God's Word, and nurturing the life of faith in our people. This commitment extends beyond our church walls as we seek to relate to one another as fellow members in the house of God and reach out to our neighbors and others in our community through the various works of service and mission.

As we look for a Senior Pastor, we are seeking someone who is committed to preaching the "whole counsel of God," explaining God's Word in a manner that upholds God's glory and Christ's redemptive work, while also connecting with the congregation. We are interested in a candidate who can lead our church by equipping staff, officers, and laity to effectively serve by emphasizing the relational side of ministry in both administration and shepherding as a pastor who will strive to know and lead us.

Our prayer is that as you read through this information and seek God's will, the Lord will make your path clear. As we pray, we look forward to seeing how the Lord will accomplish His will through our local church for our good and for His ultimate glory.

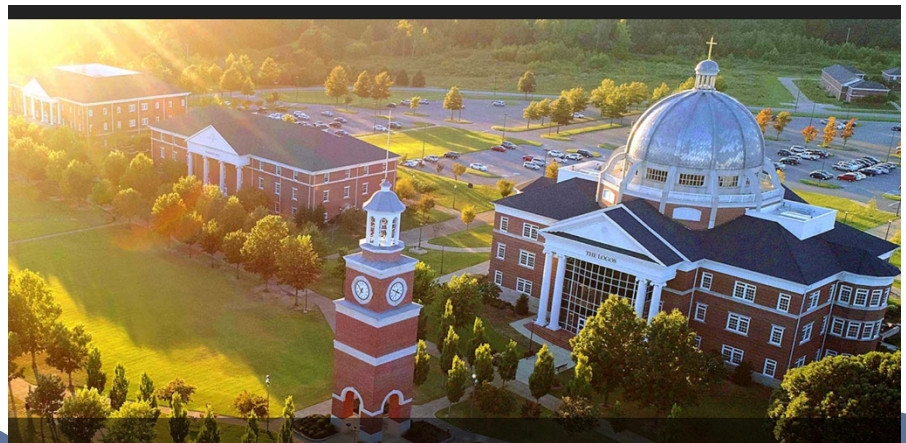

Grace to you,

The Pastoral Search Committee of Covenant Presbyterian Church

Our congregation calls Jackson, TN, home. Our town is located right off Interstate 40 between Memphis and Nashville. Many have described this community as a city with a small-town personality. The population is growing and presently is approximately 69,000, with the wider Madison County population around 99,000.

The city of Jackson has four higher education colleges: Union University, Lane College, University of Memphis-Lambuth and Jackson State Community College. We also have a thriving medical community with West Tennessee Healthcare serving 19 rural counties with their tertiary hospital, Jackson Madison County General Hospital and the Kirkland Cancer Center. Baptist Hospital has also recently completed and opened a new campus with Jackson Clinic.

The downtown area boasts of a weekly farmers market as well as family entertainment throughout the summer. A few miles from downtown, Jackson has a baseball park that hosts many little league tournaments as well as a baseball stadium, home to the Jackson Rockabillys baseball team. The city looks forward to an increase of population as various companies have moved into the area. This includes the Blue Oval site, where Ford will be producing all-electric trucks.

Our congregation partners with other ministries to serve our local community, such as the RIFA soup kitchen, weekly Child Evangelism Fellowship programs and financial support to local outreach organizations. We realize our church has great opportunities to be a loving witness to our community. Our vision is for a pastor who is willing to come alongside us and serve the church as well as the community.
